Symbolic Partial Evaluation of PureScala Programs

And Other Things

Romain Ruetschi

Laboratory for Automated Reasoning and Analysis, EPFL

February 2018

Outline

- Symbolic Partial Evaluation of PureScala Programs
- Verifying Invariants of Actor Systems
- Bi-party Communication Systems with Linear Types

Symbolic Partial Evaluation of PureScala Programs

- Motivation
- Solution
- Implementation
- Termination
- Conclusion

Motivation

Sit dicta minima architecto suscipit ratione autem. Similique tempore necessitatibus dolore laborum dolorem, rerum! Quo laborum earum deleniti asperiores quod a Officiis vel aliquam accusantium blanditiis officiis. Veniam dolor reiciendis.
